

## Careers at Momentum Trading Partners, LLC

Our team is our most important asset. From graduate candidates eager to gain expertise from the best, to seasoned professionals seeking to become part of an un-paralleled trading team with best-of class technology.

Momentum is a unique and highly respected high-touch boutique execution firm with an extremely successful and peer noted capability in locating liquidity while maintaining anonymity in large volume orders, single name accumulations, pair strategy and multi-sided baskets in equities and equity Options. We provide our clients actionable trade ideas and non-fundamental research stemming from several different approaches including bespoke technical, quantitative and strategic analysis with intelligent market coverage from an extraordinary viewpoint. Our team has broken away from our competitors in a very real way due to our uncommon edge beyond improved execution alone – and have been invited to speak at global industry conferences as a result. The added value we provide will add to your business as it adds to your client’s market intelligence. We cater to both US and International clientele. Full support, great office, great people. Income commensurate with book and ability
